

19th INTERNATIONAL ENGINEERING & TECHNOLOGY FAIR - IETF 2011

ENERGY & ENVIRONMENT 2011

(Focus on Climate Change)

10 - 12 FEBRUARY 2011

PRAGATI MAIDAN, NEW DELHI, INDIA

FACTS

- India is currently the world's sixth greatest oil consumer
- Natural gas has experienced the fastest rate of increase of any fuel in India's primary energy supply; demand is growing at about 4.8% per year
- India's has huge proven coal reserves, estimated at more than about 10% of the world's total
- India is presently the sixth-greatest electricity generating country
- India is endowed with a large, viable and economically exploitable wind power potential
- India ranks fifth in the world in terms of Hydro Energy potential & has been generating hydropower for more than a century

FOCUS ON CLIMATE CHANGE

- **OBJECTIVE :**
 To showcase technological solutions for reducing Impact of Climate Change

- **FOCUS :**
 India, Developing Countries, Other Global Players

- **SCOPE :**
 Climate Mitigation & Adaptation

HIGHLIGHTS & SCOPE

| | |
|--|----------------------------------|
| ➤ ALTERNATE FUEL VEHICLES / GREEN VEHICLES | ➤ ENERGY FROM WASTE |
| ➤ ENERGY CONSERVATION | ➤ NON - RENEWABLE ENERGY |
| ➤ ENERGY EQUIPMENTS & GENERATORS | ➤ POLLUTION CONTROL |
| ➤ ENERGY TRANSMISSION & DISTRIBUTION | ➤ RENEWABLE ENERGY |
| ➤ ENVIRONMENT | ➤ FINANCE / MICRO-FINANCE |
| ➤ GREEN ENERGY / BUILDINGS | ➤ RURAL ENERGY / ELECTRIFICATION |

TARGET - MAJOR EXHIBITORS

- EXIDE
- AMARON
- MICROTEK
- ALSTOM
- AREVA
- ABB LTD
- HONDA
- SUZLON
- MAHINDRA
- ENERCON
- NTPC
- TATA POWER
- RELIANCE POWER
- TRIVENI ENGG
- ROLLS ROYCE
- THERMAX LTD
- RPG GROUP
- CUMMINS INDIA
- CONTROLS & SWITCHGEAR
- KIRLOSKAR
- BAJAJ
- CATERPILLAR
- LARSEN & TOUBRO
- BLUE STAR
- DANFOSS INDUSTRIES
- HONEYWELL
- PHILIPS
- WIPRO
- VOLTAS
- CARRIRER

Illustrative List

Confederation of Indian Industry

VISITOR'S PROFILE

| | |
|--------------------------------------|------------------------------------|
| ■ Academicians | ■ Financial Consultants & Advisors |
| ■ Architects & Planners | ■ Government Officials & NGOs |
| ■ Contractors & Builders | ■ Investors & Venture Capitalists |
| ■ Corporate & Industry Professionals | ■ Leading Environmentalists |
| ■ Designers & Engineers | ■ Research & Energy Professionals |
| ■ Distributors & Transporters | ■ Suppliers & Manufacturers |
| ■ Entrepreneurs | ■ Technical Consultants |
| ■ Environment Surveyors | ■ Technocrats |
| ■ Exporters & Importers | ■ Trade Associations |

Confederation of Indian Industry

REASONS TO PARTICIPATE

- **E**xhibit the cutting edge technologies and latest services.
- **N**urture the new contacts and business relations with the industry.
- **E**ncompass the wide range of stakeholders from energy and environment sector.
- **R**ealize the need of country to identify & resolve the problems associated.
- **G**ain knowledge about recent business developments, products and services.
- **Y**ielding the best **from** the sector, **to** the sector, **of** the sector.
