FIETF

26th International Engineering and Technology Fair

20 - 22 February 2025 | Pragati Maidan, New Delhi

EMBARK ON A TRANSFORMATIVE JOURNEY INTO THE REALM OF **ARTIFICIAL INTELLIGENCE**

The AI revolution is here, bringing unparalleled possibilities and transformative potential. The Confederation of Indian Industry (CII) has embarked on a collaborative initiative, engaging a diverse array of stakeholders, including prominent international organizations, government, industry, and academia. This concerted effort aims to establish a robust digital ecosystem conducive to global collaboration and cooperation on priority areas related to AI.

Building on the resounding success of the AI India Shows in 2019, 2021, and 2023, CII proudly presents the fourth edition from February 20th to 22nd, 2025, at the Bharat Mandapam, Pragati Maidan in New Delhi, India.

The series underscores India's position as a global hub for AI innovations, aligning with the government's vision to establish India as a trailblazer among emerging economies in AI and revolutionize transformation in sectors

such as education, health, agriculture, environment, intelligent automation, urbanization, and smart mobility.

The AI India Show 2025 will bring together global AI leaders, tech pioneers, innovators, and think tanks for inclusive discussions focused on global partnerships, NextGen AI strategies, the transformative potential of generative AI, impactful AI innovative solutions, responsible development, and societal transformation. Additionally, the event will emphasize the adoption of responsible AI in addressing priorities such as global health, climate change, building a resilient society, and fostering a sustainable future.

FEATURES

AIXhibition

Showcasing AI/RPA Products, NewGen Innovations, and Technological Advancement in Disruptive Technologies (Attracts 150+ Exhibits by Global Industry Players, 21,000+ Attendees, 70+ Speakers, 1000+ AI Thought Leaders, 40+ Start-Ups by Young Tech-Preneurs)

eLearning **Webinars**
by Global Thought
AI Leaders/Experts

**Live
Demonstrations**
of AI Models and
Solutions by Young
Tech-Preneurs

AI National Conference

Panel Discussions,
Inspirational/Use-Case
Presentations, Research
Symposiums, Fireside Chats,
Industry Knowledge Sessions

**Country/Theme
Pavilions**

B2B, B2G, G2G
**Structured
Meetings**

AI Theatre

Inspirational
Presentations, Skill
Workshops, Master
Classes, Partnership
Roundtable

AI Awards, Angel
Investors Meet, AI
Experience Zones,
Start-Up Pitch
Competitions,
Hackathon

Guided **Tech Tour**
by Government,
Industry, Academia &
Capitalist

AGENDA

The AI India Show 2025 will bring together the engaged minds, business visionaries, strategy experts, thought leaders, AI enthusiasts, and tech-preneurs for a inclusive discussions focused on a comprehensive agenda.

Crafting a comprehensive policy framework, regulatory measures, and ensuring safety and effective data governance

Promoting responsible development and deployment of AI technologies

Developing global AI strategies to enhance business competitiveness and promote social empowerment

Advocating for ethical practices and robust AI governance, addressing concerns related to the misuse of deep fake technology

Encouraging multi-lateral collaboration and partnerships in AI across diverse sectors such as business, healthcare, education, agriculture, smart mobility, digital factory 4.0, environment, communication, media & entertainment, retail & e-commerce, energy, financial services, legal, aerospace & defense, transport & logistics

Cultivating trust, transparency, accountability, and inclusiveness in the realm of AI

Driving initiatives to advance Generative AI and prioritize Quantum Technologies

Evaluating the impact of AI commercialization on various industries

Acknowledging the potential and establishing trust in the era of Generative AI

Addressing global issues and ensuring last-mile access through AI solutions

Showcasing cutting-edge research on AI capabilities, practical applications addressing complex problems, and driving innovations

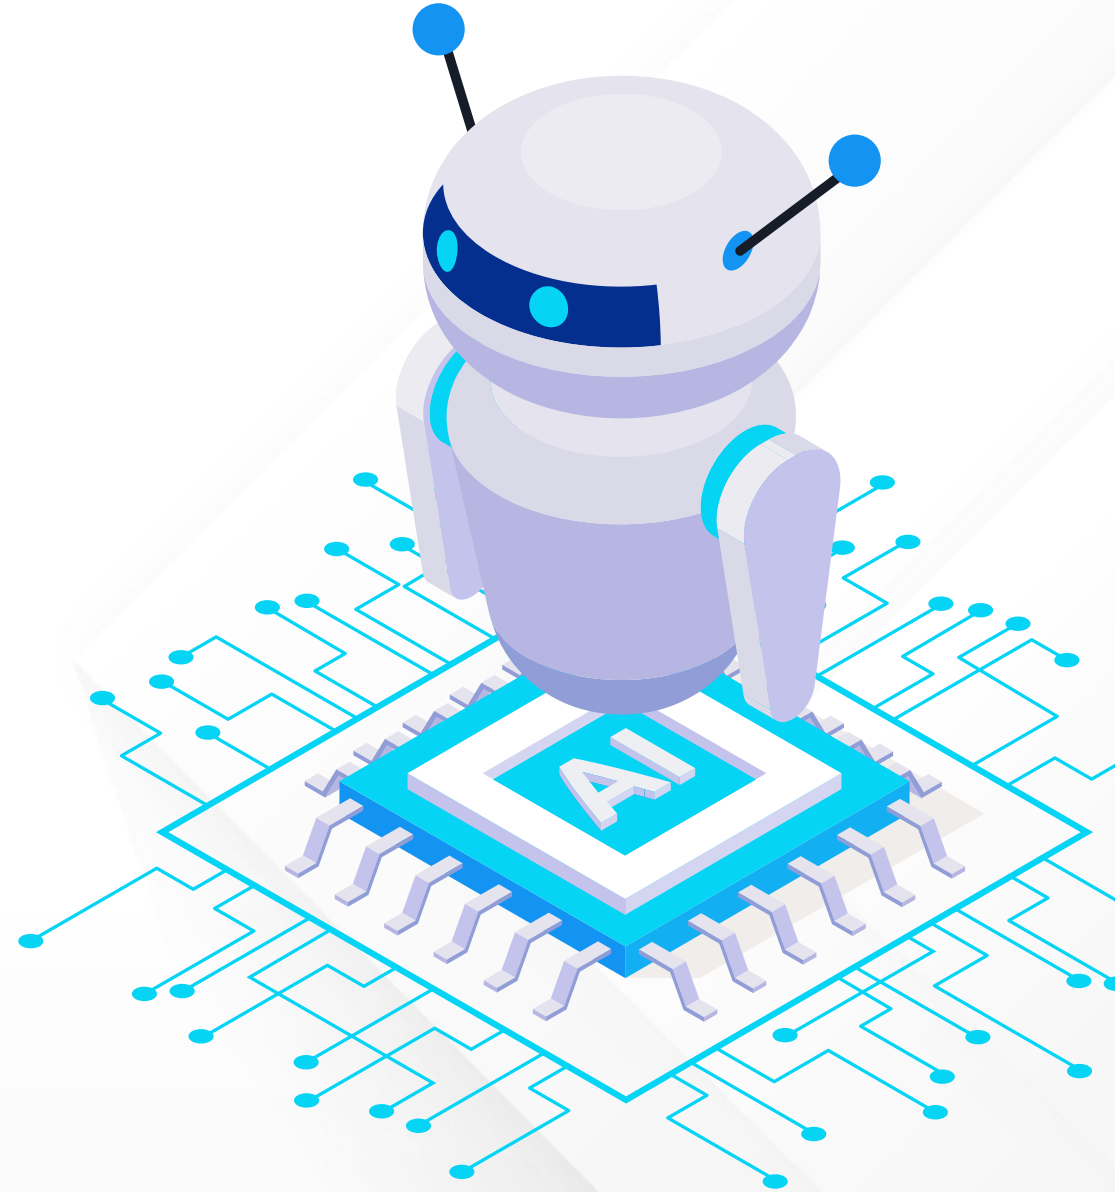

Building human capacity to effectively navigate market transformations and prepare for the evolving landscape

WHY ATTEND

Get involved and engaged in variety of opportunities!

- ▶ **Brand** exposure & positioning as an AI leader
- ▶ **Lead Generation**
- ▶ **Launch & Showcase** AI/RPA products, technology advancement, innovations, AI models, solutions & enabled services
- ▶ **Demonstrate** your AI initiatives
- ▶ **Explore** new tech and strategic approaches
- ▶ **Learn** exciting AI use-cases, latest AI strategies & trends
- ▶ **Network** with multi-stakeholders of AI community
- ▶ **Collaboration & Cooperation** with multi-stakeholders of AI community
- ▶ **Raise** funds & secure your business development
- ▶ **Engage** with India's largest gathering of global tech professionals
- ▶ **Contribute** to accelerate digital transformation
- ▶ **Discover** the smarter and sustainable future through AI & Quantum Technologies

A GLIMPSE

Confederation of Indian Industry

The Confederation of Indian Industry (CII) works to create and sustain an environment conducive to the development of India, partnering Industry, Government and civil society, through advisory and consultative processes.

CII is a non-government, not-for-profit, industry-led and industry-managed organization, with around 9,000 members from the private as well as public sectors, including SMEs and MNCs, and an indirect membership of over 365,000 enterprises from 294 national and regional sectoral industry bodies.

For more than 125 years, CII has been engaged in shaping India's development journey and works proactively on transforming Indian Industry's engagement in national development. CII charts change by working closely with Government on policy issues, interfacing with thought leaders, and enhancing efficiency, competitiveness, and business opportunities for industry through a range of specialized services and strategic global linkages. It also provides a platform for consensus-building and networking on key issues.

Through its dedicated Centres of Excellence and Industry competitiveness initiatives, promotion of innovation and technology adoption, and partnerships for sustainability, CII plays a transformative part in shaping the future of the nation. Extending its agenda beyond business, CII assists industry to identify and execute corporate citizenship programmes across diverse domains including affirmative action, livelihoods, diversity management, skill development, empowerment of women, and sustainable development, to name a few.

For 2024-25, CII has identified "Globally Competitive India: Partnerships for Sustainable and Inclusive Growth" as its Theme, prioritizing 5 key pillars. During the year, it would align its initiatives and activities to facilitate strategic actions for driving India's global competitiveness and growth through a robust and resilient Indian industry.

With 70 offices, including 12 Centres of Excellence, in India, and 8 overseas offices in Australia, Egypt, Germany, Indonesia, Singapore, UAE, UK, and USA, as well as institutional partnerships with about 300 counterpart organizations in almost 100 countries, CII serves as a reference point for Indian industry and the international business community.
